

Dear Potential Sponsor,

Golf 4A Cause is excited to host the first Fraternity Heritage Golf Tournament on May 14, 2010 to benefit the Boy Scouts of America, Capital City District. We would like your support for this event, which is slated to become an annual fundraiser.

This one-day tournament, at the beautiful Northstar Golf Club in Sunbury, Ohio, is expected to draw up to 140 African American professionals for a day of fun and competitive golfing. The funds raised will go toward the Boy Scouts Urban Scouting Program which is in need of uniforms, handbooks, camping supplies and registration fees for low-income youth. Proceeds from the Fraternity Heritage Golf Tournament can help keep this program remain viable for the 800 youth and families served by the organization.

Your generous sponsorship can help us present a superior, top-notch, and fun-filled event for our golfers and we hope we can count on your support. There are multiple sponsorship levels for you to review and select. As a sponsor, your company's exposure reaches beyond the golfers who are professionals working and living in Ohio and neighboring states, to the communities served by the Capital City Boy Scouts, and many more.

Please review the sponsorship levels at www.golf4acause.com. Please join us in making the Fraternity Heritage Golf Tournament one of Ohio's premier fundraising events while helping our youth and families who need the Boy Scouts of America, Capital City District.

If you have any questions or would like more information, please feel free to contact me at tharkness@golf4acause.com or 678-438-3941. I will also be following up with you within the next 2 weeks.

Sincerely,

Tara D. Harkness
